Mr. Regan

On this very sad day for our country let us all resolve that in the future we will witness EQUAL JUSTICE and THE RULE OF LAW when it comes to THE BLOOMDOGGLE.

Ending the BLOOMDOGGLE will heal our country and restore faith in the EPA,SEC,FTC, DOJ and that facts and science matters not payola campaign contributions from crooked OLIGARCHs.

The ball is in your court. I realize the pressure will be on you to go soft.

Note the date on the Bloom letter to DE DNREC with the admission of the hazmat. September 2014. It took six years for the EPA to fine the scum. WHY? In November 2011 Bloom lied to DE DNREC they had zero hazmat in order to secure a coastal zone act permit for their dirty Bloom Boxes in Red Lion Delaware.

The fraud on Delmarva ratepayers in Delaware and US taxpayers because of the fake coastal zone act permit now exceeds \$450 million. Why has nobody gone to jail? Who is protecting them?

A certain sleazebag named Collin O'Mara resigned in disgrace from his post as Secretary of DNREC in May 2014. He knew all about the hazmat yet issued the Coastal Zone Act Permit.

In February 2009 Bloom transferred 100,000 shares to Colin Powell for a total payment of only ten stinking dollars. Bloom and Powell lied to the IRS that the market value of the 100,000 shares was \$175,000 for Powell's 2009 tax return. Yet at the same time Bloom was selling their Series F at \$18.52 a share or more than TEN TIMES AS MUCH.

I told the IRS that the four star general cheated on his 2009 taxes. The IRS told me he did not. So I told the SEC that Bloom engaged in Stock Fraud. The SEC forced me to destroy FOIA records that I had received. WHY? Who is protecting Bloom?

The time has come for the RULE OF LAW and EQUAL JUSTICE else we will simply become a BANANA REPUBLIC.

I expect the Biden EPA, SEC, IRS, FTC, and DOJ to come down heavily on Bloom and their greenwashed partners like Duke, Exelon and Southern. Solar and wind power are green, Bloom is GANGRENE.
